

Cade Hunzeker, D.D.S., P.C.
Fees, Financial Arrangements and Insurance.

It is our policy to receive payment as treatment progresses. If you have any questions concerning our fees our methods of payment, please let us know. A written cost estimate is always given to you before the service is provided on restorative work.

Dr. Hunzeker treats children in a manner that provides optimal oral health for the child. With the numerous insurance carriers and policies available it is impossible to be familiar with coverage for each. Since you and child received professional services, you are responsible for payment whether or not it is a covered item by your insurance carrier.

There is a variety of dental insurance coverage. Nearly every dental plan limits the amount of money the insurance company will pay for covered services. Coverage is rarely 100%. If you have any questions about your coverage, please refer these questions to your insurance carrier or to your employer.

As a courtesy to our patients, we will complete the universal insurance forms at our expense. We request your estimated patient portion and copay be paid on day of service. The estimated portion is only an approximation of what your insurance will pay. Any remaining balance will be due after we receive payment from your insurance carrier. I understand I will be charged at a rate of a minimum of \$2.00 or 1.5% per month (18.0% APR) on balances over 30 days and that I am liable for all legal and collection fees.
